

Football - Dice Game

Here is a game that's easy to play and just requires 2 players, a dice and a sheet of paper.

Rules:

1. Players decide who will have first possession by rolling a dice. The highest roll wins. If they both have the same number, the roll occurs again.
2. The player in possession rolls the dice. The following will occur.

Dice Number	Outcome
1	Cross off one minute off the time sheet. Keep possession.
2	Cross off two minutes off the time sheet. Keep possession.
3	Keep possession.
4	Your opponent takes possession.
5	You score a behind. Your opponent then takes possession.
6	You score a goal. Then repeat Rule Number 1.

3. When the time sheet hits 30 minutes that quarter is over. Players can choose to play 1, 2 or 4 quarters.
